PREMIUM QUALITY

Summer & Winter Fuels

We specialize in winter and summer fuel production and distribution.

We offer the highest quality charcoal, charcoal briquettes, kiln-dried logs, sawdust briquettes, natural firelighters, and more.

We are capable of producing 300 tonnes of charcoal per year and work in retail, wholesale distribution. One of our main goal is to have the most natural, highest quality, eco-friendly products and extremely satisfied customers.

Our moto: "If your customers are happy, then we are happy!"

We strive to work with our customers very closely to understand your needs and we want to double your sales every year!
